

# Only Prettier

Miranda Lambert

Well, I've been saved by the grace of southern charm  
I got a mouth like a sailor and yours is more like a Hallmark card  
If you wanna pick a fight, well, I'm gonna have to say good night  
I don't have to be hateful, I can just say, "Bless your heart" And even though I don't belong with  
your high life friends  
Doesn't mean we don't get together and try to make amends  
It's easier can't you see? Let's agree to just disagree  
We don't have to like each other but it's sure fun to pretend So let's shake hands and reach across  
those party lines  
You got your friend just like I got mine  
We might think a little differently  
But we got a lot in common you will see  
We're just like you, only prettier  
Everybody says you gotta know your enemies  
Even if they only weigh a hundred pounds and stand five foot three  
If you just smile and behave you can always get your way  
It's a universal plan that'll get you where you can in all societies So let's shake hands and reach  
across those party lines  
You got your friend just like I got mine  
We might think a little differently  
But we got a lot in common you will see  
We're just like you, only prettier, hey  
Let's shake hands and reach across those party lines  
You got your friend just like I got mine  
We might think a little differently  
But we got a lot in common you will see  
We're just like you, only prettier Well, I'll keep drinkin' and you'll keep gettin' skinnier  
I'm just like you, only prettier
