

# You and Me

## Alice Cooper

When I get home from work  
I wanna wrap myself around you.  
I wanna take you and squeeze you  
Til the passion starts to rise.I wanna take you to heaven.  
That would make my day complete.But you and me ain't no movie stars.  
What we are is what we are.  
We share a bed  
Some lovin'  
And TV, yeah.  
And that's enough for a workin' man.  
What I am is what I am.  
And I tell you, babe  
Well that's enough for me.  
Sometimes when you're asleep  
And I'm just starin' at the ceiling  
I wanna reach out and touch you  
But you just go on dreamin'.If I could take you to heaven  
That would make my day complete.But you and me ain't no movie stars.  
What we are is what we are.  
We share a bed  
Some lovin'  
And TV, yeah.  
That's enough for a workin' man.  
What I am is what I am.  
And I tell you, sweetheart  
That's just enough for me.  
You and me ain't no super stars.  
What we are is what we are.  
We share a bed  
Some popcorn  
And TV, yeah.  
And that's enough for a workin' man.  
What I am is what I am.  
And I tell you, babe  
You're just enough for me.When I get home from work  
I wanna wrap myself around you.  
I like to hold you squeeze you  
Til the passion starts to rise.I wanna take you to heaven.  
That would make my day complete.You and me ain't no movie stars.  
What we are is what we are.  
We share a bed  
Of lovin'

And TV, yeah.  
And that's enough for a workin' man.  
What I am well that's what I am.  
I tell you, baby  
That's just enough for me.
