

Kolony Anthem (feat. Ilovemakonnen & Bok Nero)

[Steve Aoki](#)

Yeah yeah, flock
Gang, gang, gang, gang, gang, gang
What's that, what's that, what's that
Yeah, gang, gang, gang, gang
I got lots of [?], I be gettin' dollars
Sonin' all these boys like, "Luke, I am your father"
I feel like Darth Vader laughing at these haters
You ain't gettin' money, well, bye bye, I'll see you later
Diamonds in my chain, they got a bunch of different flavors
When I come outside, I swear I cannot see my neighbors
Walk out with my boxers and my robe to grab my paper
House, it is so big I spent and got a lot of acres
Started out with nothing, it ain't it hard to see
You ain't talkin' money, then don't talk to me
You ain't with the gang, then you can't rock with me
We just turned the gang into a colony
We just turned the gang into a colony
We just turned the gang into a colony
You ain't with the gang, then you can't ride with me
We just turned the gang into a colony
We just turned the gang into a colony
Gang into a, gang into a colony
You, you, you ain't with the colony
We just turned the gang into a colony
We just turned the gang into a colony
Gang into a, gang into a colony
You, you, you ain't with the colony
We just turned the gang into a colony
Yeah yeah, flock
Gang, gang, gang, gang, gang
I was never too clean for some dirty work
They was sayin' somethin' funny
Nah, they wasn't talkin' 'bout no money
Countin' [?] all night make my fingers hurt
I was never too clean for some dirty work
They was sayin' somethin' funny
Nah, they wasn't talkin' 'bout no money
If there's a issue, we'll just send more bottles
Every party worldwide fill with models
"Super chef, where you goin' next?"

I don't know, wherever there's a check
Started out with nothing, it ain't it hard to see
You ain't talkin' money, then don't talk to me
You ain't with the gang, then you can't rock with me
We just turned the gang into a colony
We just turned the gang into a colony
We just turned the gang into a colony
You ain't with the gang, then you can't rock with me
We just turned the gang into a colony
We just turned the gang into a colony
Gang into a, gang into a colony
You, you, you ain't with the colony
We just turned the gang into a colony
We just turned the gang into a colony
Gang into a, gang into a colony
You, you, you ain't with the colony
We just turned the gang into a colony
Yeah yeah, flock
Gang, gang, gang, gang, gang, gang
What's that, what's that, what's that
Yeah, we just turned the gang into a colony
