## **Distance (feat. Jason Mraz) [Bonus Track]**

## **Christina Perri**

Sun is filling up the room
And I can hear you dreaming
Do you feel the way I do?
Right now?I wish we would just give up
'Cause the best part is falling
Calling anything but loveAnd I will make sure
To keep my distance
Say I love you
When you're not listening
And how long

Can we keep this up, up, up?
Please don't stand so close to me
I'm having trouble breathing

I'm afraid of what you'll see

Right now

I'll give you everything I amAll my broken heartbeats Until I know you'll understand And I will make sureTo keep my distance

Say I love you

When you're not listening

And how long

Can we keep this up, up, up?

And I keep waiting

For you to take meYou keep waiting

To save what we have

So I'll make sure

To keep my distance

Say I love you

When you're not listening

And how long

Can we keep this up, up, up?

Make sure

To keep my distance

Say I love you

When you're not listening

And how long

Till we call this love, love, love?
