Who Put the Alphabet In Alphabetical Order?

They Might Be Giants

All right! Back in ancient times You know that things then weren't that easy So many different tribes So many different ways of writing So, who put the alphabet in alphabetical order? I wonder Who put the alphabet in alphabetical order? Oh Now I've got a question With an answer that you might find easier You've got to use your mind To remember all the letters in order Now, you put the alphabet in alphabetical order Come on! You put the alphabet in alphabetical order We're going to put the alphabet in alphabetical order now A B C D E F G H I J K L M N O P Q R S T U V W X Y and Z Now I know my ABCs Next time won't you play with me? Oh, I put the alphabet in alphabetical order Yes, I put the alphabet in alphabetical order I did it!
