

# It Could Be Sweet

## Portishead

I don't want to hurt you  
For no reason have I but fear  
And I ain't guilty  
Of the crimes you accuse me of  
But I'm guilty of fear I'm sorry to remind  
You but I'm scared  
Of what we're creating  
This life ain't fair  
You don't get something for nothing, turn now  
Gotta try a little harder  
It could be sweet  
Like a long forgotten dream  
And we don't need them  
To cast the fate we have  
Love don't always shine through  
'cause I don't wanna lose  
What we had last time  
You're leaving  
This life ain't fair You don't get something for nothing, turn now  
Gotta try a little harder  
It could be sweet But the thoughts we try to deny  
Take a toll upon our lives  
We struggle on in depths of pride  
Tangled up in single minds 'cause I don't wanna lose  
What we had last time  
You're leaving  
This life ain't fair  
You don't get something for nothing, turn back  
Gotta try a little harder 'cause I don't wanna lose  
What we had last time your leaving  
This life ain't fair  
You don't get something for nothing, turn back  
Gotta try a little harder  
It could be sweet
