

Lady of Ice

Fancy

A lady of ice, a lady of iceREFRAIN:
A lady of ice in a desert zone
Where a web of lies has turned to stone
A lady of ice with a painted smile
I should keep her warm just for a whileAll I want is ecstasy
Reaching for reality
Love comes and sweeps your past away
We'll climb invincible mountains
I want you never to beA lady of ice in a desert zone
Where a web of lies has turned to stone
A lady of ice with a painted smile
I should keep her warm just for a while
A lady of ice, a lady of iceAll I want is holding you
Huggin' and protecting you
Turn up the beating of your heart
It's like a transmutation
I want you never to beA lady of ice in a desert zone
Where a web of lies has turned to stone
A lady of ice with a painted smile
I should keep her warm just for a whileA lady of ice (a lady of ice)
A lady of ice (a lady of ice)(A lady of ice)We'll climb the highest mountains
I want you never to be
A lady of ice in a desert zone
Where a web of lies has turned to stone
A lady of ice with a painted smile
I should keep her warm just for a whileA lady of ice (a lady of ice)
A lady of ice (a lady of ice)A lady of ice in a desert zone
Where a web of lies has turned to stone
A lady of ice with a painted smile
I should keep her warm just for a whileA lady of ice (a lady of ice)
A lady of ice (a lady of ice)
A lady of ice (a lady of ice)
A lady of ice (a lady of ice)
