

Rise of the Tyrant

Arch Enemy

"I have existed from the
morning of the world and
I shall exist until the last star
falls from the night. Although
I have taken the form of
Gaius Caligula, I am all man
As I am no man and therefore
I am a god. I shall wait for
the unanimous decision of
The senate, Claudius.
All those who say 'aye', say 'aye'.
'Aye', 'aye', 'aye' (etc)...
He's a god now"
The end is near
Panic is closing in
Sick with fear they run
Watch freedom's fall
What have we become?
Cannon fodder-Solo-Reign of terror
Enslave the nations
Devastation This is war
Pull the trigger
One nation
Under their control Rise, the tyrants rise
The enemy inside
The tyrants rise
The end is here
Feel it closing in
Blood runs red
Watch in horror
Our lives destroyed
We failed-Solo-The final holocaust
Enslave the nations
Annihilation This is war
Pull the trigger
One nation out of control Rise, the tyrants rise
The enemy inside
The tyrants rise-Solos-War, pain, suffering
The price we pay
To stay alive
Blood, fire, death
His glory come

His kingdom arise
This world will burn
(Burn, burn, burn)Rise, the tyrants rise
The enemy inside
The tyrants rise
