Testify to Love

Avalon

All the colors of the rainbow

All the voices of the wind

Every dream that reaches out

That reaches out to find where love begins Every word of every story

Every star in every sky

Every corner of creation

lives to testify

For as long as I shall live I will testify to love

I'll be a witness in the silences when words are not enough

With every breath I take

I will give thanks to God above

For as long as I shall live I will testify to love

From the mountains to the valleys

From the rivers to the sea

Every hand that reaches out

Every hand that reaches out to offer peace

Every simple act of mercy

Every step to kingdom come

All the Hope in every heart will speak what love has doneFor as long as I shall live I will testify to love

I'll be a witness in the silences when words are not enough

With every breath I take

I will give thanks to God above

For as long as I shall live I will testify to loveFor as long as I shall live I will testify to love I'll be a witness in the silences when words are not enough

With every breath I take

I will give thanks to God above

For as long as I shall live I will testify to love

For as long as I shall live I will testify to love

I'll be a witness in the silences when words are not enough

With every breath I take

I will give thanks to God above

For as long as I shall live I will testify to loveFor as long as I shall live I will testify to love I'll be a witness in the silences when words are not enough

With every breath I take

I will give thanks to God above

For as long as I shall live I will testify to loveFor as long as I shall live I will testify to love I'll be a witness in the silences when words are not enough

With every breath I take

I will give thanks to God above

For as long as I shall live I will testify to love
