## Papa Roach

I was young  
And I was reckless man  
Moved out at seventeen  
And made my momma mad  
I thought I had it all figured out  
A pocket full of pills  
And a forty in my mouth  
Pilld out in my big black Chevy  
Pimped six times  
And I knew that I was ready  
To straighten up because my best friend died  
I didn't wanna carry on living that life  
And now I'm running from the scene  
Cause I was caught up in the crime  
It's a loaded memory  
Yeah, it kills me everytime  
And I'm trying not to scream  
But It's eating me alive  
I'm still hunted by the best days of  
The best days of my life  
Yeah, Let me take y'all back  
I was young  
And I was selfless, man  
Self-medicating my own depression, man  
I drank a bottle at the breakfast  
Took a look in the mirror  
Riped the rosery of my neckless,  
Damn!  
I lost my job, so I lost faith  
I just saw biggie pumping my girl's waist  
I need a drink to feel right  
Party with my homies  
To escape from real life  
Yeah, we had it all figured out  
A pocket full of pills  
And a forty in my mouth  
But, I never should've let  
My best friend drive  
Cause he's the reason my child  
Will never see me alive  
Damn!  
Now I'm running from the scene  
Cause I was caught up in the crime  
It's a loaded memory  
Yeah, it kills me everytime  
And I'm trying not to scream  
But It's eating me alive

I'm still hunted by the best days of  
The best days of my life All the sudden nothing matter's enymore  
He lost it all,  
He's life was scattered on the floor  
And now he's family trying  
To pick up all the pieces  
I am locked up in a box, I am a monster  
I'm the reason that he's gone  
Wish I could take it all back Press rewind and take a picture of the past  
Pause it!  
Feel my heart turn black  
My lung's a smolder  
And I'm breathing in the ash Now I'm running from the scene  
Cause I was caught up in the crime It's a loaded memory  
Yeah, it kills me everytime  
And I'm trying not to scream  
But It's eating me alive  
I'm still hunted by the best days of  
The best days of my life I'm still hunted by the best days of  
The best days of my life  
I'm still hunted by the best days of
