

Play It Again

Luke Bryan

She was sittin' all alone over on the tailgate
Tan legs swingin' by a Georgia plate
I was lookin' for her boyfriend,
Thinkin', "No way she ain't got one."
Soon as I sat down I was fallin' in love
Tryin' to pour a little sugar in her Dixie cup
Talkin' over the speakers in the back of that truck
She jumped up and cut me off She was like, "Oh, my God, this is my song.
I've been listenin' to the radio all night long.
Sittin' 'round, waitin' for it to come on and here it is."
She was like, "Come here boy, I wanna dance."
'Fore I said a word she was takin' my hand
Spinnin' me around 'til it faded out
And she gave me a kiss
And she said, "Play it again, play it again, play it again."
And I said, "Play it again, play it again, play it again."
I'd a gave that DJ my last dime
If he would have played it just one more time
But a little while later we were sittin' in the drive in my truck
Before I walked her to the door
I was scannin' like a fool AM, FM, XM, too
But I stopped real quick when I heard that groove
Man, you should have seen her light up She was like, "Oh, my God, this is my song.
We've been listenin' to the radio all night long.
I can't believe that it came back on, but here it is."
She was like, "Come here boy, I wanna dance."
'Fore I said a word she was takin' my hand
Spinnin' in the headlights she gave me a goodnight kiss
And I said, "Play it again, play it again, play it again."
And she said, "Play it again, play it again, play it again."
The next Friday night
We were sittin' out under the stars
You should have seen her smile
When I broke out my guitar She was like, "Oh my God, this is my song.
I've been listenin' to the radio all night long.
Sittin' 'round, waitin' for it to come on and here it is."
She was like, "Come here boy, I wanna dance."
'Fore I said a word she was takin' my hand
Spinnin' in the headlights she gave me a goodnight kiss
And she said, "Play it again, play it again, play it again."
And I said, "Play it again, play it again, play it again." Yeah, play it again, play it again,
again

Somebody, play it again, play it again, play it again
