

Lullaby

Hypnogaja

Once upon a time
or so the stories told
Everyone lives happily
as the end unfolds Forever sweet
and never ending All I want
is to know why
life is not
a lullaby Reality tells
a different kind of tale
Everybody tries to win
but everyone fails
It's never sweet
and never ending All I want
is to know why
life is not
a lullaby It's all a lie
Tell me why
It's all a lie
the lullaby All a lie, all a lie
tell me why, tell me why
All a lie, all a lie
Lie
All I want
is to know why
life is not
a lullaby
