

Gone

U2

You get to feel so guilty
You got so much for so little
Then you find that feeling just won't go away
You were holding on to every little thing so tightly
'Til there's nothing left for you anyway
Goodbye...

You can keep this suit of lights
I'll be up with the sun
I'm not coming down
I'm not coming down
I'm not coming down

You wanted to get somewhere so badly
You kinda lose yourself along the way
You change your name, but that's okay, it's necessary
What you leave behind you don't miss anyway
Goodbye...

You can keep this suit of lights
I'll be up with the sun
I'm not coming down
I'm not coming down

I'm not coming down And I'm already gone

Felt that way all along
Closer to you every day

Didn't want it that much anyway

You're taking steps that make you feel dizzy

Then you learn to like the way it feels

You hurt yourself you hurt your lover

Then you discover

What you thought was freedom just was greed

Goodbye...

No emotional... good night

I'll be up with the sun

Are you still holding on

I'm not coming down

I'm not coming down

I'm not coming down Gone... sun... time... sun...

Gone... sun... gone... sun...

Sun...
