

Why Don't You Kiss Her?

Jesse McCartney

Were the best of friends
And we share our secrets
She knows everything that is on my mind
lately somethings changed
As I lie awake in my bed
A voice here inside my head
Softly says
Why don't you kiss her Why don't you tell her
Why don't you let her see
The feelings that you hide
she'll never know
If you never show
the way u feel inside
Oh I'm so afraid to make that first move
Just a touch and we
Could cross the line
every time she's near
I wanna never let her go
Confess to her what my heart knows
Hold her close Why don't you kiss her Why don't you tell her
Why don't you let her see
The feelings that you hide
she'll never know
If you never show the way u feel inside
What would she say
I wonder would she just turn away
Or would she promise me
That she's here to stay
It hurts me to wait
I keep asking myself Why don't you kiss her (tell her you love her)
Why don't you tell her (tell her you need her)
Why don't you let her see
The feelings that you hide
she'll never know
If you never show
the way u feel inside
Why don't you kiss her (why do't you kiiiiiss her)
