

# Did You Wrong

## Pleasure P

You know I want yall to just sit back and think  
For a second you know what I mean  
There's a lot of haters out there hatin on people relationships and stuff  
Dont nobody wanna see you happy they always tryna take ya joy  
Bring you down  
(No no no no noo)But you gotta be the one to stick by yo mate  
And say Ima be with you no matta what u know what Im sayin  
Fuck it I did wrong you did wrong too, you know what Im sayin but  
We gotta put up with each otha shit the easiest thing to do is leave  
Ya dig? Anyway check dis out  
I don't want to lose this relationship  
So, we gotta stay strong,  
don't wanna move on  
I know you're sick and tired  
of the fussing and the fighting  
and the cussing  
Well, I love you  
and you love me too I did you wrong  
you did me wrong  
I take you back  
you take me back  
I did you wrong girl  
you did me wrong girl  
I'll take you back  
I'll take you back  
No matter what you do  
No matter what you say  
No matter how far you go  
Don't take your love away  
Because I love you  
And girl, I want you  
And girl, I need you  
So let's just work it out I ain't tryna waste your time  
And, I ain't tryna waste my time  
There ain't no need to waste no time  
'Cause we done put in too much time  
I ain't tryna waste your time  
I ain't tryna waste my time  
Ain't no need to waste no time 'Cause we done put in too much time  
When you're in a relationship  
The easiest thing for you to do  
Is to leave You gotta stick it out

and work it out  
And stick it out  
and work it out  
And stick it out  
'Cause at the end of the day...  
I did you wrong  
you did me wrong I take you back  
you take me back  
I did you wrong girl  
you did me wrong girl  
I'll take you back  
I'll take you back  
No matter what you do  
No matter what you say  
No matter how far you go  
Don't take your love away  
Because I love you  
And girl, I want you  
And girl, I need you  
So let's just work it out  
I did you wrong  
you did me wrong  
I take you back  
you take me back I did you wrong girl  
you did me wrong girl  
I'll take you back  
I'll take you back  
No matter what you do  
No matter what you say  
No matter how far you go  
Don't take your love away  
Because I love you  
And girl, I want you  
And girl, I need you  
So let's just work it out
