

# Can't Breathe

Leona Lewis

What am I fighting?  
Afraid of losing  
It's like I'm not in control  
I'm watching myself fall down  
Thinking you won't be around  
You know you got my heart unlocked  
And even if I want to run  
I can't goGo, go  
I don't wanna go, go  
Got nowhere to go, go  
I don't wanna go, go  
I can't breathe  
Without you I get weak  
And I can't breathe  
And I can't breathe  
And I can't breathe  
Without you near me  
And I can't breathe  
And I can't live without you I can't And I can't breathe  
And I can't breathe  
And I can't breathe  
Without you near me  
And I can't breathe  
And I can't live without you I can't  
Maybe I make believe  
You're not different  
But you got me in love  
Don't wanna be alone again  
I cannot function without you here  
My indecisions and all my fears  
Get higher higher day by day  
Higher higher  
But I can't goGo  
I don't wanna go, go  
Gotta let it go, go  
I don't wanna go, go  
I get weak  
Without you I can't breatheAnd I can't breathe  
And I can't breathe  
And I can't breathe  
Without you near me  
And I can't breathe

And I can't live without you I can't And I can't breathe  
And I can't breathe  
And I can't breathe  
Without you near me  
And I can't breathe  
And I can't live without you I can't Oh, It's just not fair that  
I'm lost in your warmth  
That I just can't breathe  
Just can't breathe  
I'm coming up, coming up for a breath  
Coming up, coming up for a breath  
Coming up, coming up for a breath  
Coming up, coming up for a breath And I can't breathe  
And I can't breathe  
And I can't breathe  
Without you near me  
And I can't breathe  
And I can't live without you I can't And I can't breathe  
And I can't breathe  
And I can't breathe  
Without you near me  
And I can't breathe  
And I can't live without you I can't Oh...
