Us (Remastered)

Regina Spektor

They made a statue of us And put it on a mountain top Now tourists come and stare at us Blow bubbles with their gum Take photographs, have fun, have funThey'll name a city after us And later say it's all our fault Then they'll give us a talking to Then they'll give us a talking to 'Cause they've got years of experienceWe're living in a den of thieves Rummaging for answers in the pages We're living in a den of thieves And it's contagious And it's contagious And it's contagious And it's contagious We wear our scarves just like a noose But not 'cause we want eternal sleep And though our parts are slightly used New ones are slave labor you can keepWe're living in a den of thieves Rummaging for answers in the pages We're living in a den of thieves And it's contagious And it's contagious And it's contagious And it's contagious They made a statue of us They made a statue of us The tourists come and stare at us The sculptor's mama sends regards They made a statue of us They made a statue of us Our noses have begun to rust We're living in a den of thieves Rummaging for answers in the pages We're living in a den of thieves And it's contagious And it's contagious
