

# Beautiful Ride

John C. Reilly

Now that I have lived  
A lifetimes worth of days  
Finally I see  
The folly of my ways So listen when I sing of  
The temptations of this world  
Fancy cars and needles  
Whisky, flesh and pearls And then in the end  
Its family and friends  
Loving yourself  
But not only yourself  
Its about the good walk  
And the hard walk  
And the young girls youve made cry  
Its about make a little music everyday til you di-ie  
Beautiful ride (Chorus) As I stand on the precipice of death  
My perspective is enormous  
Every leaf, every cloud  
I see the hands which have formed us  
And some days all you got  
Is a nighttime graveyard walk  
And you whistle some quick melody  
To the ghosts down at the dock Its about the good walk  
And the hard walk  
And the young girls youve made cry  
Its about make a little music everyday til you di-ie Beautiful ride (Chorus)  
(bridge--)  
Sing in to your hand  
Lead the marching band  
Dont you let em fade your colors gray  
Cause when all is said and done  
When youth is spent and burned  
Youll see that its all about  
Music!  
Flowers!  
Babies!  
Sharing the good times!  
Traveling not just for business!  
Excepting your mortality!  
This is finally what Ive learned! And then in the end  
Its family and friends  
Loving yourself  
But not only yourself

Its about the good walk  
And the hard walk  
And the young girls youve made cry  
Its about make a little music everyday til you di-ieBeautiful ride  
(Chorus-2x)
