

Fly Tonight (feat. Frankmusik)

RuPaul

Here
No one could ever deny
Here
Gravity takes to the sky Daydreams not enough for us
We can't hide behind this feeling
Losers find a place for love
Up above the clouds Take me up
Wanna fly tonight
Take me up
Gonna fly tonight
Take me uh, uh uh up
Woah oh oh
Woah oh oh
We can fly tonight
Woah oh oh
Woah oh oh
Woah oh oh
We can fly tonight You, yeah you
You and I see eye to you
You, yeah you
Show me that truth is a lie Daydreams not enough for us
We can't hide behind this feeling
Losers find a place for love
Up above the clouds
Take me up
Wanna fly tonight
Take me up
Gonna fly tonight Take me up, up up up
Woah oh oh
Woah oh oh
We can fly tonight
Woah oh oh
Woah oh oh
Woah oh oh
We can fly tonight Nothing, nothing, really matters
We're taking off, let's go get lost
Nothing, nothing, really matters
We're taking off, let's go get lost
Take me higher, and higher
We're taking off, off, off, off Take me up
Gonna fly tonight
Take me up

Gonna fly tonight
Take me up
Wanna fly tonight
Take me up
Gonna fly tonight
.night, night, night. Take me up, up up up
Woah oh oh
Woah oh oh
We can fly tonight
Woah oh oh
Woah oh oh
Woah oh oh
We can fly tonight We fly tonight, we fly tonight, we fly tonight
We can fly tonight
We fly tonight, we fly tonight, we fly tonight
We can fly tonight
We fly tonight, we fly tonight, we fly tonight
We fly tonight, we fly tonight, we fly tonight
