

Low

Cracker

Sometimes you wanna take you down
Sometimes I wanna get you low
Brush your hair back from your eyes
Take you down let the river flow Sometimes I go and walk the street
Behind the green sheet of glass
A million miles below their feet
A million miles, a million miles I'll be with you girl
Like being low
Hey hey hey like being stone I'll be with you girl
Like being low
Hey hey hey like being stone
A million poppies is gonna make me sleep
Just one rose and knows your name
The fruit is rusting on the vine
The fruit is calling from the trees
Hey don't you wanna go down Like some junkie cosmonaut
A million miles below their feet
A million miles, a million miles I'll be with you girl
Like being low
Hey hey hey like being stone
I'll be with you girl Like being low
Hey hey hey like being stone
Blue blue is the sun
A Brown brown is the sky
A Green green are her eyes
A million miles a million miles
Hey hey don't you wanna go down
Like some disgraced cosmonaut A million miles below their feet
A million miles, a million miles
I'll be with you girl
Like being low
Hey hey hey like being stone
I'll be with you girl
Like being low
Hey hey hey like being stone
I'll be with you girl
Like being low
Hey hey hey like being stone
I'll be with you girl
Like being low
Hey hey hey like being stone
