

Emtee

Otep

eye remember
sufferingeye remember
... feeling the stingof childhood
& injectionsholy bruises
sweet infectionssoaked
in
a
stew
like drowning
cockroaches
whose only .
crimewas the
greed of
inherent
hungeru know where
eye'm fragileu know how
to kill...killall fall away
all fall todayPAIN!
pain.i can't keep
this rage in me
can't keep
pretendingcan't be
this emtee...anymorei can
make
it go away... make it go away
