

# My Enemy

Hans Zimmer, The Magnificent Six, Pharrell Williams &  
Johnny Marr

Something's Happening  
Mind destructing, Agony Inside Of Me.  
My Pulse Is Racing  
Mental Torture, Self Destroyer.  
Can't Ignore the Paranoia.Something's Happening  
Mind destructing, Agony Inside Of Me.  
My Pulse Is Racing  
Mental Torture, Self Destroyer.  
Can't Ignore the Paranoia.Something's Happening  
Mind destructing, Agony Inside Of Me.  
My Pulse Is Racing  
Mental Torture, Self Destroyer.  
Can't Ignore the Paranoia.  
Denying.  
The rising  
The crying.  
I'm dying.He lied to me  
He shot at me  
He hates on meHe lied to me  
He shot at me  
He hates on me  
He's using me  
Fragility  
Electricity  
Afraid of me  
He's dead to me  
He lied to me  
He shot at me  
He hates on me  
He's using me  
He's dead to me  
He is my enemyThey lied to me  
They shot at me  
They hate on me  
They're using me  
Afraid of me  
They're dead to meThey lied to me  
They shot at me  
They hate on me  
They're dead to me  
And now they're all my enemy
