Til My Last Day

Justin Moore

People say I'm just a rough boy* I ain't no good for you girl It's a dead end street, tryin' to love me Yeah, I'll wreck your world I can see why they're all talkin' Lookin' back at my past I've got a bad name, but a man can change I'm livin' proof of thatTil my last day Til my last breath Of everyone that can, I can love you the best Til my last day, I'll be lovin' you All the way up, til they lay me down Six feet under, the cold hard ground Til my last day, I'll be lovin' you Baby I might meet all my friends Shoot the bull, have a beer or two But you know I'll be the first one to leave In a hurry to get to you Somewhere deep inside your angel eyes I found a place to rest, don't ever doubt that I'll be around, and baby don't you ever forgetTil my last day Til my last breath Of everyone that can, I can love you the best Til my last day, I'll be lovin' you All the way up, til they lay me down Six feet under, the cold hard ground Til my last day, I'll be lovin' you Darlin' yes I Will Til my last day Til my last breath Of everyone that can, I can love you the best Til my last day, I'll be lovin' you All the way up, til they lay me down Six feet under, the cold hard ground Til my last day, I'll be lovin' you Oh babe, til my last day...
