

# Early In the Morning (feat. French Montana)

## Ashanti

Early in the morning  
Early in the morning  
Early in the morning  
Early in the morning Ooh, ooh, I got a thing for you too  
Ooh, ooh, I got a thing for you too  
(Thing for you)  
I think about you  
Early in the morning, early in the morning  
Early in the morning, early in the morning  
Like early in the morning, early in the morning (Ooh, ooh)  
Early in the morning, early in the morning  
Like ooh, ooh,  
I got a thing for you...  
(I)been thinkin bout you, what we gon do boy?  
And you know in the situations  
My body anticipatin  
And you in here, all up in this bed  
With these thoughts all up in my head  
Got yo hands all on my waist  
And you wanna make you say yo name  
You said you got a thing for me  
Then show me  
And if I like it baby watch the things that I could show you Early in the morning  
I'mma have you moanin  
Tryin to fit it on you  
Early in the morning  
Ooh, ooh,  
I got a thing for you too  
Ooh, ooh,  
I got a thing for you too  
(I got a thing for you too) Ooh, ooh, I got a thing for you too  
Ooh, ooh, I got a thing for you too  
Ooh, ooh, I got a thing for you too  
(Thing for you)  
I think about you  
Early in the morning, early in the morning  
Early in the morning, early in the morning  
Like early in the morning, early in the morning (Ooh, ooh)  
Early in the morning, early in the morning  
Like ooh, ooh,  
I got a thing for you... Early in the morning, early in the morning  
Getting to this money

Early in the morning  
Thinkin bout you, hold up  
Shawty what's the hold up?  
Drop in here, we roll up  
Twisted, never sober  
We be up on that smoke, on that drink  
We be up  
She gon ride to the end  
We be up  
Getting to this money and it won't stop  
Sleepin with chains, with the gold watch  
Ooh, ooh, I got a thing for you too  
Ooh, ooh, I got a thing for you too  
(Thing for you)  
Ooh, ooh, I got a thing for you too  
Ooh, ooh, I got a thing for you too  
(Thing for you)  
I think about you  
Early in the morning, early in the morning  
Early in the morning, early in the morning  
Like early in the morning, early in the morning (Ooh, ooh)  
Early in the morning, early in the morning  
Like ooh, ooh,  
I got a thing for you...
