Smooth

Escape the Fate

Man, it's a hot one like seven inches from the midday sunWell, I hear you whisper and the words

Melts everyone but you stay so cool My muñequita, my Spanish Harlem Mona Lisa

You're my reason for reason

The step in my groove, yeah

And if you said this life ain't good enough

I would give my world to lift you upI could change my life to better suit your mood

'Cause you're so smooth

And it's just like the ocean under the moon

And it's the same as the emotion that I get from you

You got the kind of lovin' that can be so smooth, yeah

Gimme your heart, make it real or else forget about it

I'll tell you one thing

If you would leave it would be a crying shame

In every breath and every word I hear your name calling me outOut from the barrio, you hear my rhythm from your radio

You feel the turning of the world, so soft and slow

Turning you round and round

And if you said this life ain't good enough

I would give my world to lift you up

I could change my life to better suit your mood'Cause you're so smooth, smooth

And it's just like the ocean under the moon

And it's the same as the emotion that I get from you

You got the kind of lovin' that can be so smooth, yeah

Gimme your heart, make it real or else forget about it

And it's just like the ocean under the moon

And it's the same as the emotion that I get from you

You got the kind of lovin' that can be so smooth, yeah

Gimme your heart, make it real or else forget about it

Or else forget about it, or else forget about it, or else forget about it

Gimme your heart, make it real or else forget about it

Now, oh no, oh or else forget about it

Now, oh no, oh or else forget about it

Now, oh no, oh or else forget about it

Gimme your heart, make it real or else forget about it
