Hold On

Good Charlotte

This world, this world is cold
But you don't, you don't have to go
You're feeling sad, you're feeling lonely
And no one seems to care
Your mother's gone and your father hits you

This pain you cannot bearBut we all bleed the same way as you do

And we all have the same things to go throughHold on, if you feel like letting go

Hold on, it gets better than you know Your days, you say they're way too long

And your nights, you can't sleep at all

Hold on

And you're not sure what you're waiting for But you don't want to know more You're not sure what you're looking for

But you don't want to know moreBut we all bleed the same way as you do And we all have the same things to go throughHold on, if you feel like letting go

Hold on, it gets better than you know

Don't stop looking, you're one step closer

Don't stop searching, it's not over

Hold on

What are you looking for?

What are you waiting for?

Do you know what you're doing to me?

Go ahead

What are you waiting for?Hold on, if you feel like letting go
Hold on, it gets better than you know
Don't stop looking, you're one step closer
Don't stop searching, it's not over
Hold on, if you feel like letting go
Hold on, it gets better than you know

Hold on
