

# Lights

Ellie Goulding

I had a way then losing it all on my own  
I had a heart then but the Queen has been overthrown  
And I'm not sleeping now the dark is too hard to beat  
And I'm not keeping now the strength I need to push me  
You show the lights that stop me turn  
to stone

You shine it when I'm alone  
And so I tell myself that I'll be strong  
And dreaming when they're gone  
'Cause they're calling, calling, calling me home  
Calling, calling, calling home  
You show the lights that stop me turn to stone  
You shine it when  
I'm alone

Home  
Noises, I play within my head  
Touch my own skin and hope that I'm still breathing  
And I think back to when my brother and my sister slept

In an unlocked place the only time I feel safe  
You show the lights that stop me turn to stone

You shine it when I'm alone  
And so I tell myself that I'll be strong  
And dreaming when they're gone  
'Cause they're calling, calling, calling me home  
Calling, calling, calling home  
You show the lights that stop me turn to stone  
You shine it when I'm alone

Home

Yeah, hee

Light, lights, lights, lights

Light, lights, lights, lights

Light, lights, lights, lights

Light, lights

You show the lights that stop me turn to stone

You shine it when I'm alone

And so I tell myself that I'll be strong

And dreaming when they're gone

'Cause they're calling, calling, calling me home

Calling, calling, calling home

You show the lights that stop me turn to stone

You shine it when I'm alone

Home, home

Light, lights, lights, lights
