

# You're Mine (Eternal)

Mariah Carey

Mine  
Mine  
Mine  
You're mine I can't seem to  
Live without your love  
Suffocating here by myself  
Dying for your touch  
Spring time eyes back get you everytime And I just can't seem to  
Give you up you're mine  
You make me feel  
Our love would never end  
Have your life again  
Baby we were the best  
Suffer dreams of you all through the night  
Baby I can't seem to  
Give you up you're mine  
I can't seem to give you up you're mine  
I can't seem to give you up you're mine Summer days and summer nights  
When I felt you in my arms  
Didn't I want you badly  
Wanted to let you have me Autumn days and stormy nights  
When you crushed me with your charms  
Didn't I need you madly  
Now I'm lining up for more I can't seem to live without your love  
Suffocating here by myself  
Dying for your touch  
Spring time eyes back get you everytime  
And I just can't seem to  
Give you up you're mine  
Boy you make me feel  
Our love would never end  
How can I forget  
Baby we were the best  
Suffer dreams of you all through the night  
Aaby I can't seem to Give you up you're mine  
Baby you're mine I can't seem to give you up you're mine  
I can't seem to give you up you're mine  
Oh!  
You make me feel like  
Love would never end  
Tell me how can I forget that  
My baby we were the best!

I'm suffering dreams of you all through the night  
And baby. I. Can't. Seem to give you up you're mine!
