The Verve

Monte Carlo Dream... Dream... Damaged... do you see through the scream...
Damaged... but I know I will survive
Damaged... but I guess I'll move on... Dream... Dream...
Live this life before your soul's a small grain, in the sky... Just keeping it, keeping it on, on, on...
Just keeping it, keeping it on, on on...
Just keep it, keep it, keep it on, just keeping it, keep anything...
Dream... Dream...
Live this life before your soul's a small grain, in the sky Damaged... do you see through the
scream
Damaged... but I know I will survive
Damaged... but I guess I'll move on To many people, to many dreams now, to many dreams now,
I gonna come out now, I've gotta come back now...
Dream... Dream. Yeah, Dream
Live your life before your soul's a small grain in the sky Dream... Dream...
Live your life before your soul's a small grain in the sky
