

Auld Lang Syne - The New Year's Anthem

[Mariah Carey](#)

Should old acquaintance be forgot
And never brought to mind?
Should old acquaintance be forgot
And auld lang syne? For auld lang syne, my dear
For auld lang syne
We'll take a cup of kindness yet
For auld lang syne, for auld lang syne 10, 9, 8, 7, 6, 5, 4, 3, 2, 1 Old acquaintance be forgot
And never brought to mind?
Should old acquaintance be forgot
Eh, eh, auld lang syne?
For auld lang syne, my dear
For auld lang syne
We'll take a cup of kindness yet
For auld lang syne For auld lang syne, my dear
For auld lang syne
We'll take a cup of kindness yet
For auld lang syne Eh, oh, yeah, aye
Eh, hey, Happy New Year, baby
Aye, oh, 5, 4, 3, 2! Should old acquaintance be forgot
And never brought to mind?
Should old acquaintance be forgot?
Eh, eh, auld land syne Does anybody really know the words?
Might as well sing along
Happy New Year, baby, oh
Happy New Year, baby Should old acquaintance be forgot
And never brought to mind?
Should old acquaintance be forgot
Eh, eh, auld land syne? Happy New Year to you and your friends
And have a great party
Happy New Year to you too
And have a great party 10, 9, 8, 7, 6, 5, 4, 3, 2, 1!
Happy New Yea
