

# Back to Earth (feat. Fall Out Boy)

Steve Aoki

It was just the beginning I think that I was meant to be next to you, to you  
On this planet spinning  
I think that I was meant to be next to you, to you  
And you know I found the dust to be resilient  
And we're the dirtiest of the dirt  
Every time we fall to pieces  
We build something new out of the hurt  
And we can never come back to earth  
To earth, to earth, to earth, to earth We can never come back to earth, to earth, to earth Are you  
living your life or just waiting to die?  
The bright, the bright, the bright  
The brightest things fade the fastest  
All my life, the bright, the bright, the bright  
The brightest things fade out the fastest  
Whoa, whoa, whoa  
The brightest things fade the fastest  
Whoa, whoa, whoa The brightest things fade the fastest Whoa, whoa, whoa  
Whoa, whoa, whoa  
This is a crooked path  
I think that I was meant to be next to you, to you  
We can never come back (we can never come back)  
I think that I was meant to be next to you, to you  
And you know I found the dust to be resilient  
And we're the dirtiest of the dirt  
Every time we fall to pieces  
We build something new out of the hurt  
And we can never come back to earth  
To earth, to earth, to earth, to earth  
We can never come back to earth, to earth, to earth Are you living your life or just waiting to  
die?  
The bright, the bright, the bright  
The brightest things fade the fastest  
All my life, the bright, the bright, the bright  
The brightest things fade out the fastest  
Whoa, whoa, whoa  
The brightest things fade the fastest  
Whoa, whoa, whoa  
The brightest things fade the fastest  
(Fastest) The brightest things fade the fastest  
Whoa, whoa, whoa  
The brightest things fade the fastest  
Whoa, whoa, whoa

The brightest things fade the fastest  
The brightest things fade the fastest  
The brightest things fade the fastest.
