Wo-oa-oahh!
Wo-oa-oahh!
Wo-oa-oahh!
Wo-oa-oahh!
Wo-oa-oahh!Hey all (hey all)
Welcome to the greatest storm
I know (I know)
You have waited much too long
And I (and I)
I will be your shining star
I'm here (I'm here)
Here to conquer near and far!
Like a sword, I'm drawn
Into the heat of day
Like a knight, I'll fight
Until the fight is won
In the reign, I slay
Each and every, each and every
Each and every one
Till this war is wonAnd I live to rule
By the sword
Slashing through the every inch of the power
The power in you
As I sit and I stand
By the table I command
My kingdom
I'm the knight of the wind
Wo-oa-oahh!
Wo-oa-oahh!
Wo-oa-oahh!
Wo-oa-oahh!
Wo-oa-oahh!Hey all (hey all)
Welcome to the end it's near
I know (I know)
I will bring you pain and fearFrom the ground to the sky
Faced with you and I
In a flash, I'm gone
Holding your crown high
In the reign, I slay
Each and every, each and every
Each and every one
Till this war is wonAnd I live to rule

By the sword
Slashing through the every inch of the power
The power in you
As I sit, as I stand
By the table I command
My kingdom
I'm the knight of the windThe knight of the wind...
I'm the knight of the...My castle is a massive force
A stronghold of power
My armour stays unbreakable
In battle every hour...Wo-oa-oahh!

In the reign, I slay
Each and every, each and every
Each and every one
Till this war is wonAnd I live to rule
By the sword
