## **Never Going Home**

## **Phantogram**

Baby, don't die on me I believe in trust Late night I go to sleep Wondering what is realIf this is love I'm never going home If this is love I'm never going home If this is love Mama You screamed to me After all these years Daddy You've walked the dirt All these holidays funIf this is love I'm never going home If this is love I'm never going homeI'm never going home If this is love I'm never going home If this is love I'm never going home
