

# Elevate

## Big Time Rush

Elevate a little higher  
Let's throw a party in the sky and celebrate  
Elevate until we fly, yeah  
Mo-move your feet until you levitate  
Come on let's elevate Forget about your day  
Under the Milky Way  
I know a place where we can go-oh-oh No need to be afraid  
Come on I'll demonstrate  
Take you to outer space  
Here we go, here we go  
Woah oh, woah oh  
If you want to party  
Woah oh, woah oh  
And I know you're down  
Woah oh, woah oh  
If you wanna party  
You wanna party Elevate a little higher (hey)  
Let's throw a party in the sky and celebrate  
Elevate until we fly, yeah (hey)  
Mo-move your feet until you levitate  
Come on let's elevate Elevate  
Elevate We're floatin' in the air  
Look at the view from here  
Show you a world you've never seen before  
We're dancin' in the stars  
No matter where we are  
Jupiter Boulevard  
Here we go, here we go Woah oh, woah oh  
If you want to party  
Woah oh, woah oh  
And I know you're down (I know you're down)  
Woah oh, woah oh  
If you wanna party  
You wanna party Elevate a little higher (hey)  
Let's throw a party in the sky and celebrate  
Elevate until we fly, yeah (yeah)  
Mo-move your feet until you levitate  
Come on let's elevate Elevate (whoa oh)  
Elevate Don't even hesitate (whoa)  
Just let it escalate (whoa)  
I wanna see you go  
Whoaohoh, whoaoh oh oh Break through the ceiling now

It's time to hit the clouds  
And no, we ain't coming downWhoa, whoa  
Whoa, whoa (hoo woahoh oh woah oh oh)  
Whoa, whoa (oh, woo oh)  
Whoa, whoaElevate a little higher (higher)  
Let's throw a party in the sky and celebrate  
Elevate until we fly, yeah (until we fly)  
Mo-move your feet until you levitate  
Come on let's elevateElevate (hey)
