

# Ask Me How I Am

## Snow Patrol

Has nobody asked you how you are?  
You look like you might not last the day  
I wouldn't have made it very far  
So we'd make a good team right away I've not made amends for yesterday  
My lip won't get me out of it  
Waking up dreading hearing tales  
Of all my nightmares being true Has nobody asked you how you are?  
You look like you might not last the day  
I wouldn't have made it very far  
So we'd make a good team right away I've not made amends for yesterday  
My lip won't get me out of it  
Waking up dreading hearing tales  
Of all my nightmares being true  
I take a breath and grab the phone  
Secretly hoping you're not home  
I'd leave a message, I was out  
Out of my mind on drink and drugs
