

# Soldiers

## Otherwise

It's time to strap our boots on  
This is a perfect day to die  
Wipe the blood out of our eyes  
In this life there's no surrender  
There's nothing left for us to do  
Find the strength to see this through We are the ones who will never be broken  
With our final breath  
We'll fight to the death  
We are soldiers, we are soldiers  
Woah woah woah whoa x2  
We are soldiers  
I stand here right beside you  
Tonight we're fighting for our lives Let me hear your battle cry  
Your battle cry  
We are the ones who will never be broken  
With our final breath  
We'll fight to the death  
We are soldiers, we are soldiers Yeah!  
We stand shoulder to shoulder You can't You can't erase us, You'll just have to face us!  
We stand shoulder to shoulder You can't erase us, You'll just have to face us! (face us)  
We are the ones who will never be broken (be broken)  
With our final breath  
We'll fight to the death  
We are Soldiers, We are soldiers  
We are the ones who will not go unspoken (Unbroken)  
No, we will not sleep  
We are not sheep  
We are soldiers, we are soldiers  
Yeah  
Woah woah woah whoa  
We are soldiers  
Woah woah woah whoa  
We are Soldiers
