

# That Was a Crazy Game of Poker

## O.A.R.

Ohh myyyy  
20 throw down in my fist of rage  
and the man to my left has folded down  
well johnny doubled up with a royal flush  
i had three jacks and a pair of nines  
my mind is turning - just two shots more  
there's not much left to play  
well then dude walks in, black hat on top, what a mop  
i'm lucky wasn't a county cop cause i'm just runnin out of time  
Who's up for game two  
what to do  
my wallet's gettin thin  
and i just lost my watch last night  
well i gotta problem  
just one answer  
gotta throw it all down  
and kiss it goodbye  
Yeah! That was a crazy game of poker  
(That was a crazy game of poker)  
I lost it all  
(I lost it all)  
but someday i'll be back again  
And I, never to fall.  
never to fall  
Who's up for game three  
i can barely see the bourbon drowning next to me  
And i just lost it all  
well there's a man sittin next to me  
Red with smiling eyes  
its funny  
i don't have no money tonight  
yeaaaaaaahhhhhh That was a crazy game of poker  
(That was a crazy game of poker)  
I lost it all  
(I lost it all)  
but someday i'll be back again  
And I, never to fold.  
(never to fold) Bop bop bop...  
I say now skittleedat dat,  
Well how bout that?  
I'm coming out the front never coming out the back  
And I walked into the bar yesterday  
Cause I had something to do, something to say

And Johnny walked in right behind me and I didn't turn around  
'Til I heard the sound of his feet falling on the ground  
I looked over my shoulder and I saw a clown  
And I said what'cha doin' in the bar tonight. So I said Johnny whatcha doing tonight?  
He looked at me with a face full of fright  
And I said, how bout a revolution?  
And he said right.  
I say of, you all say a  
I say revolution, and you all say jah  
I say of, you all say a  
I say revolution, and you all say jah jah jah  
Jehovah! And I said, what'cha looking at?  
He hit me across the face with a bat  
I grabbed my .45 and I said let's get out and go  
So he opened the door and said do what you're here for  
I said I'm wandering round the road 44  
And I said I been walking for about a thousand years. And my feet are growing tired  
My eyes a little wired  
Don't know what to do unless I retire  
And he just said let's play some crazy poker So I said Johnny whatcha doing tonight?  
He looked at me with a face full of fright  
And I said, how bout a revolution?  
And he said right.  
I say of, you all say a  
I say revolution, and you all say jah  
I say of, you all say a  
I say revolution, and you all say jah jah jah  
Jehovah! I said that, was the craziest game of poker that I ever saw  
I said that, was the craziest game of poker that I ever saw  
But I'm not gonna quit and I'm not gonna stop  
Don't give a shit cause I got the drop  
Johnny just got two eyes just like mine  
And I'm feeling kinda funky, kinda fine And I drank a bottle of whiskey, 'fore I came  
Came to the bar to see what's the same  
I saw my man named Johnny sittin' across the table from me And to my left was a man, he had  
no gin  
he Didn't really think about starting to sin  
The man to my right wasn't feeling kinda nice  
He looked kinda mad and I felt bad  
Beacuse I took his money last night it's kinda funny  
But now I'm just struggling--  
I need a honey-bunny.  
I don't know what to say anymore  
So I'm just gonna go out, anyho! So I said Johnny whatcha doing tonight?  
He looked at me with a face full of fright  
And I said, how bout a revolution?  
And he said right.  
I say of, you all say a  
I say revolution, and you all say jah

I say of, you all say a  
I say revolution, and you all say jah  
I say of, you all say a  
I say revolution, and you all say jah  
I say of, you all say a  
I say revolution, and you all say jah
