Stand Back

Stevie Nicks

No one looked... as I walked by
Just an invitation would have been just fine
Said no to him... again and again
First he took my heart... and then he ranNo one knows how I feel
What I said unless you read between my lines
One man walked away from me

First he took my hand... take me homeStand back... stand back

In the middle of my room
I did not hear from you
It's alright... it's alright
To be standing in a line
(Standing in a line)
To be standing in a line

I cry...

Do not turn away my friend Like a willow I can bend No man calls my name

No man cameSo I walked on down away from you

Maybe your attention was more

Than you could do

One man did not call

He asked me for my love

And that was allStand back... stand back

In the middle of my room

I did not hear from you

It's alright... it's alright

To be standing in a line

(Standing in a line)

To be standing in a line

I cry.

So I walked on down the line

Away from you

Maybe your attention was more

Than I could do

One man... did not call

Well he asked me for my love

That was allStand back... stand back

In the middle of my room i did not hear from you

Its alright... its alright

To be standing in a line

(Standing in a line)

To be standing in a line

I cry...
(Repeat once more)
