## Madison Beer

Dead Madison Beer  
You could be here, but you're there  
You could be anywhere and these days I don't even care no more  
You only be showing me love whenever you've had too much  
Whatever's been filling your cup, no more  
Baby, no more showing up when you're not sober  
At my front door just to say you're alone tonight  
Yeah, tryna mess me and my mind up  
It's a reminder you're a liar and you know I'm right  
You say you can't live without me  
So why aren't you dead yet?  
Why you still breathing?  
If you say you can't live without me  
Then why aren't you dead yet?  
Why do you say that?  
You could be here but you're not, I give whatever you want  
But you just take it and run, you run (oh run, run)  
And I give you so many shots but you just drinkin' 'em all  
You never give it a thought, oh lord (yeah)  
Baby, no more showing up when you're not sober  
(sober)  
At my front door just to say you're alone tonight (alone tonight)  
Yeah, tryna mess me and my mind up  
It's a reminder you're a liar and you know I'm right  
You say you can't live without me  
So why aren't you dead yet?  
Why you still breathing?  
If you say you can't live without me  
Then why aren't you dead yet?  
Why do you say that? Why, why, why, why?  
Why, why, why, why?  
Why, why, why, why?  
Why aren't you dead yet?  
Be careful what you say  
Say only what you mean  
Mean to me then you're nice  
You're nice, you're nice  
It's nice to know you now  
Now that it all went down  
Down on your knees you cry  
You cry, you cry, yeah  
You say you can't live without me  
So why aren't you dead yet?  
Why you still breathing?  
If you say you can't live without me  
Then why aren't you dead yet?  
Why do you say that? Why, why, why, why?  
Why, why, why, why?

Why, why, why, why?  
Why aren't you dead yet?  
Why, why, why, why?  
Why?  
Why aren't you dead yet?
