11th Dimension

Julian Casablancas

I just nod, I've never been so good at shaking hands
I live on the frozen surface of a fireball
Where cities come together, to hate each other in the name of sport
America, nothing is ever just anything
I looked up to you but you thought that I would look the other wayAnd you hear, what you want to hear

And they take what they want to takeDon't be sad, won't ever happen like this anymore So when's it coming? This last new great movement that I can join It won't end here, your faith has got to be greater than your fear Forgive them even if they are not sorry

All the vultures, bootleggers at the door waiting

You are looking for your own voice, but in others

While it hears you trapped in another dimensionDrop your guard, you don't have to be smart all of the time

I got a mind full of blanks
I need to go somewhere new fast
And don't be shy, oh no, at least deliberately

Cause no one really cares or wonders why anymore

Oh I've got music, coming outta my hands and feet and kisses, ohThat is how it once was done All the dreamers on the run

Forgive them even if they are not sorry All the vultures, bootleggers at the door waiting

We're so quick to point out our own flaws in others

Complicated, men was on the wings of robotsIf you believe in this world, then no one has died in vain

But don't you dare get to the top, and not know what to do Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
