

# Reload (feat. Chip) [Radio Edit]

Wiley

We're gonna make the stars come out tonight  
So why don't you reload reload re-reload the music  
Reload reload re-reload the music  
Just throw those hands up, show them you don't care  
I want you to reload reload re-reload the music  
Reload reload re-reload the music Reload reload  
Reload reload re-reload the music We just came to live some life  
We roll out when we want  
I be right inside the party  
Jamming to my favourite songs  
All the stars are on the ground right now  
But that won't be for long  
We go back up into the sky and shine  
Put my high beam on  
I'm liking the vibe she's on  
Looking into my eyes  
I might want to talk and take a walk  
But I'm avoiding spies  
They see me vibing with the blems  
And ladies by my side  
I see them with a smile like hi  
Willing to chat my name on the sly  
That's when I raise a glass up high  
I want this moment for life  
So DJ reload it says the host who's there on the mic  
This game can be a good thing  
Only if your future's bright  
That plane can be a good thing  
That's why I'm always on flights  
Tonight's a moment, yeah it's going down  
So why don't you reload reload re-reload the music  
Reload reload re-reload the music  
It might get crazy, hope that you ain't scared  
I want you to reload reload re-reload the music  
Reload reload re-reload the music Yo, see I've been working all week  
Man I could use a drink  
Long as I'm with all my people  
I don't care what club we hit  
Wake up drunk like Ed Sheeran  
Last night was perfect  
I'm surprised I ain't dead  
I took more shots than Curtis

All my freshers  
That know I'm the freshest  
It's first year you want a first  
Tonight I'll pray you'll get it  
You see I started rapping at fourteen  
Met Wiley at one six  
Household name in the game now  
And I ain't ever touched one brick  
So DJs press play  
Bottles up  
It's toast time  
The Roly's presidential like it's vote time  
We taking shots  
No free throw  
This is down for that reload  
Like oxide neutrino  
We're gonna make the stars come out tonight  
So why don't you reload reload re-reload the music  
Reload reload re-reload the music Just throw those hands up, show them you don't care  
I want you to reload reload re-reload the music  
Reload reload re-reload the music We're gonna make the stars come out tonight  
So why don't you reload reload re-reload the music  
Reload reload re-reload the music
