Follow That Dream

Elvis Presley & The Jordanaires

Follow that dream, I gotta follow that dream Keep a-movin, move along, keep a moving I've got to follow that dream wherever that dream may lead I've got to follow that dream to find the love I needWhen your heart gets restless, time to move along When your heart gets weary, time to sing a song But when a dream is calling you, There's just one thing that you can doWell, you gotta follow that dream wherever that dream may lead You gotta follow that dream to find the love you need Keep a-movin, move along, keep a movingGot to find me someone whose heart is free Someone to look for my dream with me And when I find her I may find out Just what my dreams are all aboutI've got to follow that dream wherever that dream may lead I've got to follow that dream to find the love I need I've got to follow that dream wherever that dream may lead I've got to follow that dream to find the love I needKeep a-movin, move along Keep a-movin, move along Keep a-movin, move along
