

Karma

Summer Walker

I told you, you better stay prayed up
You never thought the universe'll be looking for revenge
You can get judged doing the girls like
that
Thinking that nobody finna bite back
Losing your mind baby
Can't be sure, time's wasting
Nice to meet you, I'm sorry
I'm just here to do my job
Nice to meet you, know my name
Please don't fear me, I'm just karma
Let me dance for you, I'm sorry
Do you wanna love me so, then I'm gone
This feeling's just for you and your wrongs
I am just here to do my job
Devil in disguise, oh
Doesn't always waste all down, think I'm supposed to ride, oh
You didn't told me I should be only one around
Talking 'bout you make it my way, made it my, made it my way
Think I got your mind but you don't wanna be telling me
Take me to your momma house
I'm sorry if you never doubted me
But you should've doubt it
('Cause I told you, yeah) 'Cause, don't you know you couldn't do them girls like that
Thinking that nobody finna bite back
Losing your mind baby
Can't be sure, time's wasting
Nice to meet you, I'm sorry
I'm just here to do my job
Nice to meet you, so sudden
I don't fear you, I'm just karma
Let me dance for you, I'm sorry
Do you wanna love me so, then I'm gone
This feeling, what we have, then it stops
I am just here to do my job
Do my job, oh-oh, yeah
Do my job
Oh woah, oh oh oh
Oh woah, oh oh oh
Oh woah, oh oh oh
Yeah, yeah, oh
