

# Heathens (From "Twenty One Pilots")

Johari

All my friends are heathens, take it slow  
Wait for them to ask you who you know  
Please don't make any sudden moves  
You don't know the half of the abused  
All my friends are heathens, take it slow  
Wait for them to ask you who you know  
Please don't make any sudden moves  
You don't know the half of the abused Welcome to the room of people  
Who have rooms of people that they loved one day  
Docked away  
Just because we check the guns at the door  
Doesn't mean our brains will change from hand grenades  
You'll never know the psychopath sitting next to you  
You'll never know the murderer sitting next to you  
You'll think, "How'd I get here, sitting next to you?"  
But after all I've said, please don't forget  
All my friends are heathens, take it slow  
Wait for them to ask you who you know  
Please don't make any sudden moves You don't know the half of the abused  
We don't deal with outsiders very well  
They say newcomers have a certain smell  
Yeah, I trust issues, not to mention  
They say they can smell your intentions  
You'll never know the freakshow sitting next to you  
You'll have some weird people sitting next to you  
You'll think "How did I get here, sitting next to you?" But after all I've said, please don't  
forget All my friends are heathens, take it slow  
Wait for them to ask you who you know Please don't make any sudden moves  
You don't know the half of the abused [All my friends are heathens, take it slow  
Wait for them to ask you who you know  
All my friends are heathens, take it slow  
Wait for them to ask you who you know]  
Why'd you come, you knew you should have stayed  
I tried to warn you just to stay away  
And now they're outside ready to bust  
It looks like you might be one of us
