

# Sponji Reggae

## Black Uhuru

You bum right here and you  
Bounce over there Sponji Reggae  
I say you bum right here and  
You bounce over there  
Sponji Reggae  
I say you rock right here and  
You rock over there Sponji Reggae  
I say you punch right here and you  
Punch over there Sponji Reggae A keep trying very hard to succeed  
I almost lost my reflex  
My bare feet was burn  
That i almost lost my nerves  
My fingers are shaking as the  
Day start breaking  
I could a never keep it no longer  
I had to tell it to one another  
I say you bum right here,  
And you bounce over there, sponji reggae.  
I say you rock right here,  
And you rock over there, sponji reggae. mmmm... Some say i am nuts zookey crazy  
Want i to leave the music alone  
They say go and look work  
I and i are lazy (mmm... ohhh...)  
But i think for a while and  
Say to my self  
It's a time for every style You bum right here,  
And you bounce over there, sponji reggae.  
I say you rock right here,  
And you rock over there, sponji reggae.  
I say you punch right here,  
And you bounce over there, sponji reggae.  
We brought it from the bottom,  
And we fly to the top, sponji reggae, sponji reggae. ohh. mmm... I may not be a movie star  
I don't drive a big fancy car  
I can afford only a winchester cigar  
From the day i was born and  
Given life  
I and i a actor genius name it  
Genuine character I say you bum right here,  
And you bounce over there, sponji reggae.  
I say you rock right here,  
And you rock over there, sponji reggae.

I say you bum right here,  
And you bum over there, sponji reggae.  
You rock right here,  
And you rock over there, sponji reggae.
