

Be Your Everything

Boys Like Girls

Four letter word
But I don't have the guts to say it
Smile 'til it hurts
Let's not make it complicated
We've got a story
But I'm about to change the ending
You're perfect for me
You're more than just a friend
So we can just stop pretending now
Gotta let you know somehow
I'll be your shelter
I'll be your storm
I'll make you shiver
I'll keep you warm
Whatever weather
Baby I'm yours
Be your forever, be your fling
Baby I will be your everything
Baby I willBaby I will be your everythingWe used to say
That we would always stick together
But who's to say
That we could never last forever
Girl, got a questionCould you see yourself with somebody else?
'Cause I'm on a mission
And I don't wanna share
I want you all to myself right now
And I just wanna scream it outI'll be your shelter
I'll be your storm
I'll make you shiver
I'll keep you warm
Whatever weather
Baby I'm yoursBe your forever, be your fling
Baby I will be your everything
Baby I willBaby I will be your everythingNo matter what you do, yeah
Oh I'll be there for you
And every time you close your eyes
I will be by your side'Cause every time you make me sing
Baby I will be your everythingI'll be your shelter
I'll be your storm
But I'll make you shiver
I'll keep you warmWhatever weather
Baby, I'm yours

Be your forever, be your fling
Baby I will be your everything
 Baby I will
Baby I will be your everything
 Baby I
 Baby I will
Baby I will be your everything
 Baby I
 Baby I will
Baby I will be your everything
