Be Your Everything

Boys Like Girls

Four letter word
But I don't have the guts to say it
Smile 'til it hurts
Let's not make it complicated

We've got a story

But I'm about to change the ending

You're perfect for me

You're more than just a friend

So we can just stop pretending now

Gotta let you know somehow

I'll be your shelter

I'll be your storm

I'll make you shiver

I'll keep you warm

Whatever weather

Baby I'm yours

Be your forever, be your fling

Baby I will be your everything

Baby I will Baby I will be your everything We used to say

That we would always stick together

But who's to say

That we could never last forever

Girl, got a questionCould you see yourself with somebody else?

'Cause I'm on a mission

And I don't wanna share

I want you all to myself right now

And I just wanna scream it outI'll be your shelter

I'll be your storm

I'll make you shiver

I'll keep you warm

Whatever weather

Baby I'm yoursBe your forever, be your fling

Baby I will be your everything

Baby I will Baby I will be your everythingNo matter what you do, yeah

Oh I'll be there for you

And every time you close your eyes

I will be by your side'Cause every time you make me sing

Baby I will be your everythingI'll be your shelter

I'll be your storm

But I'll make you shiver

I'll keep you warmWhatever weather

Baby, I'm yours

Be your forever, be your fling
Baby I will be your everything
Baby I will
Baby I will be your everything
Baby I
Baby I will
Baby I will
Baby I will be your everything
Baby I
Baby I will
Baby I will
