

# Young Again

**Paul Banks**

Time is disgraceful  
We're all just watching as things fall apart  
And silence seems wasteful  
When I know what's coming for me in the dark I'm young again  
Thanks a lot  
I'm young again  
Ra, ra Jobs are disgraceful  
They tick like suffering from a clock  
I sized my potential  
It just seemed small in the wrong box  
Cuz I'm young again  
Thanks a lot  
I'm young again  
Ra, ra  
Thanks for my spot  
Feed me, sonar  
Lead me so far  
Feed me, sonar  
You need me so far
