

# Holdin On (feat. Freddie Gibbs)

## Flume

To keep on holdin on, holdin on  
To keep on holdin on, holdin on To keep on holdin on, holdin on  
To keep on holdin on, holdin on No, no, yes i do (yes I do)  
I'm a hip shaking mama, I love you (I know)  
No, no, yes i do (yes I do)  
I'm a hip shaking mama, I love you (I know) No, no, yes i do (yes I do)  
I'm a hip shaking mama, I love you (I know)  
No, no, yes i do (yes I do)  
I'm a hip shaking mama, I love you (I know)  
Holdin on  
Holdin on  
You lose my world  
Can't you lose, no, no!  
Cause I need all the joy you bring, oh!  
Hey, I can't let you go with nobody  
Cause I love you baby, yes I do! No, no, yes i do (yes I do)  
I'm a hip shaking mama, I love you (I know)  
No, no, yes i do (yes I do)  
I'm a hip shaking mama, I love you (I know) No, no, yes i do (yes I do)  
I'm a hip shaking mama, I love you (I know)  
No, no, yes i do (yes I do)  
I'm a hip shaking mama, I love you (I know)  
Don't give you everything I hope  
Cause I gotta, gotta keep holding on, holding on  
I can't let you go away no, let you get away, no, no!  
You keep holding up, you keep holding up, no, no!  
I can't, I can't, I can't tell you!  
I can't, I can't, I can't tell you!  
I can't, I can't, I can't tell you!
