

# Dark Necessities

## Red Hot Chili Peppers

Coming on to the light of day  
We got many moons that are deep at play  
So I keep an eye on the shadow smile  
To see what it has to say  
You and I both know  
Everything must go away  
What do you say?  
Spinning Knot that is on my heart  
Is like a bit of light in a touch of dark  
You got sneak attack from the zodiac  
But I see your fire spark  
Eat the breeze and go  
Blow by blow and go away  
What do you say?  
Yeah, you don't know my mind  
You don't know my kind  
Dark Necessities are part of my design and  
Tell the world that I'm falling from the sky  
Dark necessities are part of my design Stumble down to the parking lot  
You got no time for the after thought  
They're like ice cream for an astronaut  
Well that's me looking for we  
Turn the corner and...  
Find the world at your command  
Playing the hand Yeah, you don't know my mind  
You don't know my kind  
Dark necessities are part of my design  
Tell the world that I'm falling from the sky  
Dark necessities are part of my design  
Do you want this love of mine?  
Darkness helps us all to shine  
Do you want it, do you want it now?  
Do you want it all the time?  
But darkness helps us all to shine  
Do you want it, do you want it now? Pick you up like a paper back  
With the track record of a maniac  
So I move it in and we unpack  
It's the same as yesterday  
Any way we roll  
Everything must go away,  
What do you say? Yeah, you don't know my mind  
You don't know my kind

Dark necessities are part of my design  
Tell the world that I'm falling from the sky  
Dark necessities are part of my design
